Dear all,

We are thrilled to invite your students to participate in the Model European Union Athens, a Charlemagne Youth Prize award-winning simulation of EU policy-making processes.

MEU Athens 2026 will be the first youth simulation on the COREPER II and Council of the EU. Through this, participants will learn about the behind-the-scene powerhouse mechanics of EU-decision making. The event will be hosted at the Europa Experience Learning Center that is operated by the European Parliament Liaison Office in Athens.

 When & Where

The event will take place in Athens, Greece from the 26 February to 1 March 2026.
